ABOUT US

"A Better life, BioMED's pledge"

BioMED, a pharmaceutical company based in Egypt, specializes in the production of a wide range of pharmaceutical products, including generic and innovative drugs, as well as medical and healthcare products.

BioMED, have a strong presence in the domestic market and established international partnerships and distribution networks in many countries around the world. Our dedication lies in providing high-quality, affordable healthcare solutions and we have a strong focus on research and development. Our mission is "a pledge for a better life" and we work towards making a positive impact on the lives of people everywhere.

BioMED is a leading player in the global pharmaceutical industry and is well-positioned for continued growth and success in the future.

WWW.BIOMED-PHARMA.NET

WWW.PANDCLABS.COM

OUR MISSION "A Pledge For A Better Life"

To make a pledge to healthcare providers, society, patients, families, and individuals to improve healthcare and promote a better quality of life through the development and provision of innovative products and services.

OUR VISION "Our commitment to quality and professionalism"

BioMed pledges to become one of the top 20 pharmaceutical companies in Egypt by the end of 2023.

We pledge to focus on penetrating the international pharmaceutical market and to meet the challenges of operating as a multinational company in the coming decade.

Our belief is that, through consistently maintaining high performance levels and investing in the skills and expertise of our team, we can achieve our vision and make a positive impact on the global healthcare industry.

OUR CORE VALUES "Our Pledges"

**WE
PLEDGE**

For Better Health

We prioritize the health and well-being of our customers and society.

For Better Vitality

We strive to promote vitality and energy in our products and services.

For Better Energy

We value energy and strive to provide products and services that promote and support it.

For A Better Lifestyle

We recognize the significance of lifestyle on overall health and is committed to supporting it

For Better Well-Being

Improving overall well-being through our offerings.

For A Better State of Mind

We recognize the importance of mental health and aim to support a positive state of mind.

WWW.BIOMED-PHARMA.NET

WWW.PANDCLABS.COM

BioMED Pharmaceutical Industries was founded in 2014 and specializes in the manufacture of healthcare products. We launched our **first product in 2014** and have continued to expand our product line over the years. We now offer more than **100 products** across **11 therapeutic lines**, all designed to improve the quality of life for patients.

2015

MANUFACTURING PLANT

In 2015, **BioMED** received its final license for our manufacturing plant, which allowed us to ramp up production and meet the increasing demand for our products. We now have **three manufacturing plants**, which enables us to produce a wide range of health-care products for a variety of different indications.
